

A Call to Stewardship

1 Corinthians 12:12 The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. So it is with Christ.

It is actually for our own good that God wants us in fellowship with other believers and if we don't, what's at stake? Well, to put it in a nutshell: the unity of the body, your own spiritual growth, protection and blessing are all at risk when you're disconnected from the body of Christ. Stewardship is not about giving money, it is about giving of our lives. All we have has been given to us as a gift from God. We are challenged to hear God's invitation to become involved in his life and to actively respond to this call. The question for us as good stewards then becomes how to become involved in God's life. Please consider volunteering your services for these ministries. It will help you become more "involved in God's life" and subsequently help the liturgies to become more alive on a personal level!
